

# February

## LET I Comp is right around the corner!

Let I comp will be held on the 2<sup>nd</sup> and 3<sup>rd</sup> of March. The last two weeks of February will be spent practicing for the comp so make sure to give it your all!

Middleschool Recruitment was great. Murray, Indiantown, Hidden oaks and Anderson came down to see our school. Several 8<sup>th</sup> graders were able to talk to JROTC cadets about the program and see what we do here. And soon we will be going to IMS to talk more about our program.

By now all cadets should have taken the JPA survey. If not, make sure to go to the JROTC homepage (under 'Departments' on the south fork website) and you will find in on the front of the JROTC overview. This is a requirement meant to help leadership understand what you know and would in this program.

## Military Ball is closing in!

Military ball is on March 13th and we need your help to get ready for it. **Please fill out the Military Ball survey.** The survey is located next to the JPA survey. From there you will be asked for your plans for Military Ball including dinner and your escort.

The survey also has Military Ball King and Queen Voting. But make sure to vote quick! The voting will close soon and the top three candidates will be voted for at Military Ball. For those of you who don't know the winners of Military Ball King and Queen will be Homecoming representatives for next year's Homecoming parade (that's why the runners are only Juniors)

## Winners of Cadet and Leader of the Month Congratulations to these winners!

**Cadet: PVT Saldonna**

**Leader: 1SGT McCain**
