

**Martin County School District
Local K12 Pandemic Response Team
SY 2020-2021**

Purpose: Create a “Local K12 Pandemic Response Team” Florida Association of District School Superintendents (FADSS) recommends the creation of a cross-functional local team that includes health/medical professionals **to establish the medical trend guidelines for re-opening schools using the statewide components of the Return to School plan.** Local K12 Pandemic Response Teams will ensure that all local context, supports and barriers are addressed and problem-solved in a ***manner, which reflects the community it*** serves. Local response team will meet on an iterative basis to develop, monitor and make recommendations throughout the 2020-21 school year.
