Parent/Community Event: 5:00 pm-7:00 pm

**STUDENTS SHOULD DRESS
PROFESSIONALLY FOR THIS EVENT.**

HBCU AND HSI RECRUITMENT TOUR JANUARY 25, 2019

Hundreds of high school seniors will have the opportunity to receive on-the-spot offers for admission and financial aid during the School District of Martin County's annual Historically Black College and University (HBCU) and Hispanic Serving Institution (HSI) Recruitment Tour.

Representatives from institutions will be onsite to interview college-ready seniors/juniors and expose students to different career opportunities specific to their school. The recruitment tour will also feature representatives from different branches of the military, mock interviews stations, and financial aid information. University volunteers will be available to answer questions and assist in the application process.

This is the second year that students from all district-operated high schools have participated in the recruitment tour. Last year, students attending received invaluable information, mock interview feedback as well as onsite application support. Congratulations to those students who received scholarships. We are looking forward to building upon last year's extraordinary achievements and record-breaking accomplishments.

WHO WE ARE

Martin County School District has made it a priority to educate all students for success and provide a dynamic system of excellence. This event will take place at Martin County High School, located in Stuart, FL.

Our goal is to have students prepared for on-site admissions, with transcripts in hand, as well as high achieving test scores. We want our students to reach their maximum potential and encourage them to take risks in their education. We hope you will join us on January 25th and make our event momentous for our students.
