

Dear Parents:

The South Fork High School yearbook staff would like to invite you to pre-order your student's copy of the 2018-2019 school yearbook. It is going to be an amazing collection of memories from this school year.

We will make our yearbook order based on the pre-orders we receive by Jan. 4. For example, if we have only 500 pre-pay orders by Jan 4, we will order *only* 500 copies of the yearbook, with the following exception: We will order 50 extra copies that will be sold for \$100 cash each on a first come-first served basis (seniors only on the first day) when the books are delivered to the school in April.

Pre-paying guarantees you get a book!

For Parents of Seniors: This flyer also has an order form for Senior Dedication Ads. There is also an early bird price for those.

To order one or more yearbooks, or to order a Senior Dedication Ad, please fill out the form(s) below and return with payment to:

**South Fork High School
Attn: Nick Haskett – Room J8
