Please send an envelope with cash or checks payable to HSE
Audubon. Include the student's name and teacher's name.

In order for us to retain our Audubon status, we are required to report environmental projects that we complete during the school year. We are dependent on a successful fundraiser in order to purchase the supplies needed for these projects. Please help us in our efforts to fund raise for our school-wide environmental projects and to pay our annual certification fee. Thank you for your support.
