Summer Math Practice for Incoming 6th Graders

Incoming 6th Graders to Stuart Middle School are encouraged to use the Khan Academy courses to *REVIEW* 5th Grade skills and to *PREVIEW* 6th Grade skills. Progress will be monitored over the summer and feedback will be given at the beginning of the school year in August 2019. We encourage ALL students to review their 5th Grade skills that they struggled with to create a stronger foundation for 6th Grade. Students who excelled in 5th Grade Math should proceed with the 6th Grade *PREVIEW*.

The 6th Grade Curriculum starts with a review of multiplying and dividing multi digit numbers with decimals and then will focus on fractions. ALL students should come to 6th Grade with a strong understanding of multiplication facts (0x0 – 12x12), multi digit multiplication, and multi digit division.

How do I sign up for Khan Academy?

- Log into Khan Academy
- Create a STUDENT account (parents can include their email to be notified of progress)
 - CLICK ON Learners
 - Enter DOB
 - CLICK **SIGN UP WITH EMAIL**
 - Email required
 - Create a Password
 - CLICK **SIGN UP**
 - PERSONALIZE
 - CLICK ON **6th Grade**
 - CLICK ON **6th**
 - CLICK ON **Arithmetic**
 - CLICK **CONTINUE WITH 2 COURSES**
 - On your main page
 - CLICK **COACHES**
 - In "JOIN A CLASS" enter the below code
