*** Students may bring in their own hand sanitizer, in addition to what is being supplied to each classroom.**

Parents,

PCE is highly sensitive to the financial impact of purchasing school supplies. We are grateful to The United Way for donating consumable supplies to our schools. Our PTA is standing by to support our classrooms too! Please don't hesitate to reach out to us if you have any needs. We are so excited to launch our school year! We'll see you in the classroom or on Zoom!

~Ms. Monte & Mrs. Rabener
