Sunshine State Young Readers Award Jr. Club

Sunshine State Young Readers Award Jr. Club is a great way to keep reading all summer with your child. This club is designed for students entering 1st & 2nd grades with a goal of exposing children to a wide variety of diverse, appropriate literature while instilling an interest in reading for pleasure. Books will be read aloud by teachers and a book club conversation will be held weekly under the supervision of teacher, Kiera Smith.

Sunshine State Young Readers Award Club

Designed to provide a variety of diverse, appropriate literature while instilling an interest in reading for pleasure, students will not be able to put these books down. The Sunshine State Young Readers Award Club is intended for students entering grades 3-5. After reading the books, students will participate in a Zoom call to talk with peers and deepen their understanding of the books read through the guidance of teacher, Rita Diapoules.

PCE Virtually PAWSome Summer Camp

Designed to provide academic support to students entering grades 1, 2, 3, & 5, this camp will surely keep our young readers learning. Each grade will focus on a targeted area of need to close learning gaps.

Assistant Principal, Lauren Rabener: rabenel@martin.k12.fl.us

Summer Camp Coordinator, Elizabeth Atkinson: Atkinsa@martin.k12.fl.us

Endless Momentum Summer Camp

Students enrolled in PCE who will be entering grades 1-5 are provided opportunities to maintain or enhance academic success throughout the summer in math, reading, and science.

Assistant Principal, Lauren Rabener: rabenel@martin.k12.fl.us
Summer Camp Coordinator, Elizabeth Atkinson: Atkinsa@martin.k12.fl.us

iReady Reading and Mathematics

iReady is a web-based instructional tool in reading and mathematics for previously enrolled K-5 students. Student instruction and levels are determined by adaptive assessment. Program will be available until July 28, 2020.
