SEAWIND ELEMENTARY SCHOOL

KINDERGARTEN REGISTRATION for 2020-2021 SCHOOL YEAR

Parents and guardians of children who will be five years old on or before September 1, 2020 should register with the elementary school in their attendance zone starting March 23, 2020. Parents and guardians should contact the individual schools directly for details on registration times. By registering early, parents and guardians help the schools in their planning for the correct number of classes and teachers.

Important kindergarten registration reminders:

All medical information must be current. Parents and guardians should plan ahead since physicians' offices become very busy just prior to the start of the school year.

To register, parents and guardians need to bring:

- The child's **original birth certificate** or other lawful evidence of date of birth [1003.21(4)].
- Two (2) **proofs of residency** indicating the address at which the student resides with his/her parent(s) or legal guardian are required to register a student.
Examples of acceptable documents are as follows, and all sources of evidence must coincide:
 - a) Current utility bill with service address indicated.
 - b) Current year property tax bill.
 - c) Deed of home.
 - d) Lease agreement with name of tenant, landlord, contact information for all parties, and expiration date. *A renewed lease must be provided to the School Registrar at time of renewal.*
 - e) Mortgage statement.
 - f) Automobile insurance policy.
 - g) Home purchase contract including closing date and copy of property deed to be provided in 30 days.
 - h) Declaration of Domicile from the County Records Department.
 - i) State of Florida driver's license.
 - j) State of Florida identification card

The Superintendent or his/her designee shall require proof of residency at the time of registration, and may require proof of residency at any other time.

Any time a student's address changes, the parent is responsible to notify our school and provide 2 proofs of residency to the school office.

A school may deem the documents provided are not sufficient for enrollment or verification if the Principal/designee has reasonable suspicion of inaccurate document presentation as to the residence of a student or legal guardian or other relevant factors.

- A current **physical examination** on Form #3040 (to be valid, the physical must have been completed within a year of school entry date and signed by a licensed physician)
- A **Florida Certificate of Immunization Record** (Form #680) completed by a physician or the Martin County Health Department. Please see immunization requirements on reverse side:

All kindergarten students are required to have the following immunizations:

- 1) Five doses of Diphtheria, Tetanus, and Pertussis Vaccine (four if last dose was on or after the fourth birthday)
- 2) Four doses of Polio Vaccine (three doses if the last dose was on or after the fourth birthday. If the fourth dose was given before the fourth birthday, a fifth dose is required for entry into kindergarten.)
- 3) Two doses of Measles, Mumps, and Rubella Vaccine
