

Martin County Students Earn 165 Perfect Scores on Florida Standards Assessments

The Martin County School District is proud to announce that 165 students earned a perfect score on at least one Florida Standards Assessment (FSA) or End-of-Course (EOC) exam during the 2017-2018 school year.

Last spring, students in grades 3-10 took the English Language Arts (ELA) FSA, while students in grades 3-8 took the Math FSA. The Statewide Science Exam (SSA) was administered to students in grades 5 and 8, and students enrolled in Civics, U.S. History, Algebra I and Geometry participated in EOC exams for those subjects.

Data released in August by the Florida Department of Education indicates that 19 Martin County schools, including charters, had at least one student earn a perfect score last school year. Hidden Oaks Middle School had the most, with 53 perfect scores. Jensen Beach Elementary had the highest number of perfect scores at the elementary level with eight, while Jensen Beach High School topped the high school list with 14.

Seven students earned perfect scores in more than one subject area:

Name	School Attended in 2017-2018	Current School	Perfect Score Subject Areas
Grace Bauer	Stuart Middle School	Jensen Beach High School	8 th Grade ELA and Science
Peyton Flaitz	J.D. Parker Elementary School	Stuart Middle School	5 th Grade Math and Science
Ashley Genge	Stuart Middle School	Stuart Middle School	7 th Grade ELA and Civics
Laila Mayfield	Stuart Middle School	Stuart Middle School	6 th Grade ELA and 8 th Grade Math
Jerhett Morehouse	Dr. David L. Anderson Middle School	South Fork High School	8 th Grade ELA and Civics
Ricardo Rivera	Palm City Elementary School	Hidden Oaks Middle School	5 th Grade ELA and Math

Isabella Rivera	Hidden Oaks Middle School	Hidden Oaks Middle School	7 th Grade ELA, Math and Civics

“I am so proud of each of these students for earning a perfect score on at least one of their FSA or EOC exams,” Superintendent Laurie J. Gaylord shared. “Earning a perfect score on these assessments is not something to be taken lightly. I am proud of our students for their hard work and commitment to their education, and of our teachers, administrators and support employees for working tirelessly to ensure that all Martin County students are educated for success.”

Students who earned perfect scores have been invited to attend a recognition ceremony later this month in honor of their outstanding achievements.
