

SeaWind BYOD Policy Agreement

In order for a SeaWind student to use a mobile device at school students must adhere to the Martin County BYOD Guidelines and the following school rules:

1. Parent agreement form must be signed before any student may use a mobile device at school.
2. Mobile devices may be used only for teacher directed instructional activities.
3. All mobile devices used on school campus will be no smaller than 7”.
4. No recording of voice, video or still photography may be taken of anyone on campus without prior written consent form along with a district photo release form.
5. When sharing devices, the owner will be the only one to handle the device.
6. Students may use the Martin County School District Wifi only. No outside network may be used.

It is understood that teachers may add further restrictions on the use of mobile devices to improve classroom management. Those additions will be communicated to parents. I have read and agree to the Martin County BYOD Guidelines and the SeaWind Student BYOD Policy. I chose not to attend the parent orientation.
