

# COVID-19 vs. Allergies

	COVID-19	Allergies
 Common		
		
		
		
 Less Common		
		
		
 Not Common		
		
		
		

\*Seasonal allergies do not usually cause shortness of breath, unless a person has a respiratory condition such as asthma that can be triggered by pollen.

## PREVENT THE SPREAD

Monitor your child's health daily.  
If your child shows any symptoms of COVID-19, including nausea or vomiting, please keep them at home and contact your doctor about testing options.
