Completion of this application does not guarantee admission to the Academy of Auto Collision Repair & Refinishing. Determinations will be based on academic success in core curricula, student conduct and thorough review of this application and forthcoming interview, and the number of available spots in the Academy.

Students enrolled in the Academy of Auto Collision Repair & Refinishing will be working toward earning their A.S.E. (Automotive Services Excellence) or FADA (Florida Automotive Dealers Association) Certifications. To successfully complete the Academy and earn one of these Industry Certifications, students must pass a certifications exam, proctored both here at MCHS and at other outside testing centers.

By completing the Academy of Auto Collision Repair & Refinishing (minimum of 4 courses completed), students may be eligible to earn a minimum of 12 college credits through articulation agreements with local colleges.

Questions:

Thoughtfully answer the following questions with as much information and detail as possible. Please write or type your responses on another sheet.

1. Why should you be considered for admission to the Academy of Auto Collision Repair & Refinishing?

2. Describe your future career plans for after high school graduation:

3. What experience (if any) do you have in working with automobiles?

4. What does the term “professionalism” mean to you? How can you, as a Collision Repair & Refinishing student, demonstrate professionalism?
I have read the MCHS Career Academy information and understand the level of commitment required to achieve program completion. Upon completion, I may have the opportunity to receive college articulation credits, the Gold Seal Bright Futures scholarship, and A.S.E. (Automotive Services Excellence) or FADA (Florida Automotive Dealers Association) Certifications. I understand that I may be working outside and participation is vital to my success in this program. As a student in this program, I am expected to follow the safety procedures and class rules.

Signature program students must complete an interview with Mr. Kinne in a meeting with their parent/guardian before admission decisions can be made. Academy of Auto Collision Repair & Refinishing admission decisions will be made after all applicants have been interviewed. You will receive a letter stating your status once all interviews have been completed.

Please note: This application does not ensure acceptance into a Career Academy. If your child requires reading or math remediation, their schedule may not accommodate participation.

Participation in this program may require a lab fee.
