Completion of this application does not guarantee admission to the Advanced International Certificate of Education Program (AICE). Determinations will be based on academic success in core curricula, student conduct, a thorough review of this application, and the number of available seats in the program.

If my application is accepted, I commit to completing all exams corresponding to the AICE courses and pursuing an AICE diploma over three to four years.

I may be required to sit for examinations during or at the end of my 10th, 11th and 12th grade years. Some of the examination dates fall in May, June, and November. The dates of these examinations are set by the University of Cambridge and cannot be changed or modified by Martin County High School or Martin County School District.
